

Technical specification

Needled felt – polyester

Description Low moisture absorption, high tensile strength, high UV resistance.

Properties	Unit	Value	Test method
Material		Polyester	
Construction		Needled felt	
Weight	g/m ²	360	
Thickness	Mm	2,7	
Max force			
Lengthwise	N/5cm	Min 350	
Crosswise	N/5cm	Min 600	
Elongation at max force			
Lengthwise	%	Min 75	
Crosswise	%	Min 65	
Colour		Anthracite	
Finish and treatment		Thermo-bonded
